your event to the
next level

Factory103: A place with history

Factory103 is a unique space in the center of Barcelona, near Sants station and the Urgell and Hospital Clínic metro stops. The former “Chocolates Lloveras” factory, located at 103 Mallorca Street, has been transformed into an iconic, multidisciplinary space of more than 1,000 m².

Here, the interior architecture shares the spotlight with selected designer furniture, creating a truly unique atmosphere.

Factory 103 is unique

Our facilities feature everything required to execute projects to the highest standards, including a full-service kitchen, reception, abundant natural light, and a private terrace.

The versatility of Factory103

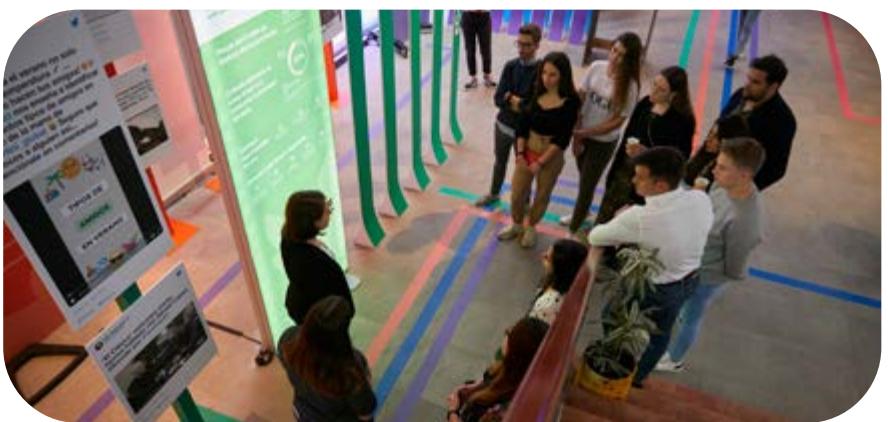

Our space is fully modular and versatile, effortlessly adapting to your needs. Whether it's a product launch, a film shoot, a fashion show, or a private event, we provide the perfect stage.
